Dear Spem,

Thanks a lot for the cheque -  
was very glad indeed to have the  
work & shall be happy if more  
comes my way -

How is everything with you?  
The new Museum is certainly most  
imposing - Are you growing extra  
dignity to match it?

I have been making enquiries  
for you with regard to an Assistant  
Librarian but at present have been  
unsuccessful as the salary you  
mentioned isn't one to tempt the  
possible "candidates" for the position.  
Whom I approached on the subject.

Feelings & best wishes to all,

As ever,

Violet  
B.

Have written note -  
May mean is in  
pencil with a  
griffin!!!
